

## Biased and Fake News Examples

*Note: Fake news erodes legitimate journalism, that's why we are looking at these sites. Some of these sites may contain language and images that some people might find offensive; I cannot control what might be posted. You are not required to visit the sites for class. Also, the class is not pushing one political point of view. All respectful opinions are welcome.*

Weekly World News

<https://weeklyworldnews.com/>

### **Left leaning media:**

Palmer Report

<http://www.palmerreport.com/>

Daily Beast

<https://www.thedailybeast.com/>
