# INTRODUCTION

Welcome to my e-book full of ChatGPT knowledge! This revolutionary technology can open a world of possibilities but many of them remain hidden. My hope is that with the prompts and styles contained in this e-book, you will have the tools to unlock your full potential and make the most of your life.

Overall, the e-book is designed to help you achieve your goals by providing you with prompts (the lines you type into ChatGPT), formulas and styles to enhance your natural abilities. I organized them into 7 categories:

- Productivity - Save time and increase your output
- Writing - Write almost anything
- Social - Improve your communication
- Health - Custom meal and workout plans
- Marketing - Boost Your Brand and Drive Results
- Entrepreneurship - Unleash Your Inner Innovator
- Entertainment - Just For Fun

I hope you find the information in this e-book useful. Let's dive right in.

Much Love,

Igor

# GUIDELINES

From the second I decided to write this e-book it was clear to me that including the following guidelines would be essential to get the most out of the following prompts, so read them carefully as one can easily get lost in the conversational flow ChatGPT provides.

## Consider Privacy

Chatbots often collect and store personal data, so it's important to ensure that you only feed it data that you would also share in a typical social media post.

## Be Transparent

When you use the outputs in your everyday life it's important to be upfront about the fact that you are using a chatbot. This helps with managing future expectations and allows yourself to maintain your self-respect. For example, I used ChatGPT extensively in the creation of this e-book, but besides the legal text and some of the examples, none of it was copy-pasted. See how this works? There is no shame in using freely available technology to your advantage. Just don't deceive others as this will always(!) catch up with you in unpredictable ways.

## Plagiarism

AI detection software is being worked and improved on every day. So don't expect any of the blindly copy-pasted chatbot outputs to stand the test of time. Especially when it comes to critical pieces of work that you intend to build your life upon (such as a university thesis or a book). As of 2023 the best use-case for this technology is to kickstart your project or idea, so don't just blindly copy-paste without disclosing the use of AI tools. Take what it gives you and expand it with your own thoughts and ideas.

## The Bias Is Real

Chatbots can often reflect the biases of their creators or the data they are trained on. It's essential to be aware of these biases and to use chatbots to improve and uplift your and others actions.

## Personal Responsibility

It should go without saying that chatbots are not a replacement for human interaction and should not be used to exploit or manipulate others. AI can give you some amazing abilities and powers, but it's up to you to use them responsibly.

# EXPLAINER

## Explainer

Every consecutive page of this mini e-book features a new prompt consists of 3 basic sections:

Prompt - My favorite use-case that ask for a response from ChatGPT. Simply copy-paste this into the text field and hit enter

Formula - Customize the prompts to your own needs. Replace the word in square brackets with your very own and feel free to mix and match multiple formulas for unique results..

Example - Get inspired by some practical use-cases that are also copy-paste ready.

I also included a section for Follow-Up Prompts and Styles.

Follow-Up Prompts - Continue the conversation beyond your first request and achieve unique results. This is where most of the true powers of ChatGPT lies as the results usually improve by adding more context.

Styles - Include these in your prompts to customize your output into various styles and voices.

Most importantly, stay curious and keep experimenting with your approach. Getting results with ChatGPT is all about trial and error.

# PRODUCTIVITY

# GENERATE IDEAS

## Prompt

Can you provide 8 ideas for a workshop about public speaking for introverts, focusing on building confidence, effective communication techniques, and overcoming stage fright, with interactive exercises and practice opportunities?

## Formula

Can you provide [number] ideas for a [format] about [subject] for [target audience], focusing on [topics], with [additional context]?

## Examples

Can you provide 5 ideas for a series of blog posts about sustainability for young adults, focusing on eco-friendly fashion, zero waste living, and renewable energy, with an emphasis on actionable tips?

Can you provide 3 ideas for a webinar about fitness for busy professionals, focusing on workout routines, nutrition, and rest and recovery, with a practical approach for incorporating fitness into a hectic schedule?

Can you provide 4 ideas for a podcast about mental health for college students, focusing on self-care,

therapy, and mindfulness, with a focus on maintaining balance during academic stress?

Can you provide 6 ideas for a YouTube series about cooking for beginner chefs, focusing on easy recipes, essential kitchen skills, and budget-friendly meal planning, with step-by-step instructions?

Can you provide 7 ideas for a newsletter about personal finance for recent graduates, focusing on budgeting, saving, investing, and managing student loans, with real-life examples and success stories?

Can you provide 10 ideas for an e-book about remote work for freelancers, focusing on productivity, time management, work-life balance, and networking, with advice from successful remote workers?

# IMPROVE ANYTHING

## Prompt

Can you provide suggestions for how I can improve my time management with the goal of increasing productivity and achieving a better work-life balance?

## Formula

Can you provide suggestions for how I can improve [subject] with the goal of [objective]?

## Examples

Can you provide suggestions for how I can improve this text: [insert text] with the goal of making it more engaging and concise for the reader?

Can you provide suggestions for how I can improve the search engine optimization on my blog about vegan food supplements with the goal of increasing organic traffic and reaching a wider audience?

Can you provide suggestions for how I can improve the user experience on my website with the goal of reducing bounce rate and increasing customer satisfaction?

Can you provide suggestions for how I can improve my presentation skills with the goal of engaging the audience and conveying information more effectively?

Can you provide suggestions for how I can improve my team's collaboration with the goal of enhancing communication, reducing misunderstandings, and completing projects more efficiently?

Can you provide suggestions for how I can improve my social media presence with the goal of increasing brand awareness and driving more engagement from my target audience?

Can you provide suggestions for how I can improve my email marketing campaigns with the goal of boosting open rates, click-through rates, and ultimately, conversions?

Can you provide suggestions for how I can improve my customer service with the goal of enhancing customer satisfaction, reducing response times, and increasing customer loyalty?

Can you provide suggestions for how I can improve my public speaking skills with the goal of overcoming stage fright, effectively delivering my message, and connecting with my audience?

Can you provide suggestions for how I can improve my work environment with the goal of fostering creativity, encouraging collaboration, and boosting employee morale and well-being?

# GENERATE GUIDES

## Prompt

Can you provide step-by-step instructions on how to start a vegetable garden at home, considering a small space and for first-time gardeners?

## Formula

Can you provide step-by-step instructions on how to [subject], considering [context]?

## Examples

Can you provide step-by-step instructions on how to make an HTTP request in JavaScript?

Can you provide step-by-step instructions on how to make a homemade face mask?

Can you provide step-by-step instructions on how to perform a basic oil change on a car?

Can you provide step-by-step instructions on how to prepare a budget spreadsheet, considering intermediate complexity and for personal finance management?

Can you provide step-by-step instructions on how to write a professional cover letter, considering a concise format and for job seekers in any industry?

Can you provide step-by-step instructions on how to set up a home Wi-Fi network, considering basic technical knowledge and for non-tech-savvy individuals?

Can you provide step-by-step instructions on how to bake a chocolate cake, considering a gluten-free diet?

Can you provide step-by-step instructions on how to install solar panels, considering a residential home in a cloudy region?

Can you provide step-by-step instructions on how to reduce plastic waste, considering a family with young children and a busy lifestyle?

# SUMMARIZE ANYTHING

## Prompt

Can you provide a 100-word summary of the history of Europe, considering a general audience?

## Formula

Can you provide a [number]-word summary of [title], considering [target audience]?

## Examples

Can you provide a 50-word summary of the TV show Two and a Half Men, considering general viewership?

Can you provide a 100-word summary of the basics of computer science, considering high school students?

Can you provide a 75-word summary of the differences between solar and coal energy sources, considering an environmentally conscious audience?

Given that my copyrighted work was used without my permission, what legal action could I take?

Given that I was involved in a car accident where the other driver was at fault, what legal action could I take?

# SIMULATE JOB INTERVIEWS

## Prompt

Simulate a high level interview for a position as a movie director by asking questions as if you are a potential employer. In this scenario, I am taking the role of the employee and you ask increasingly hard questions to screen my competence, but only after I respond. Start by introducing yourself.

## Formula

Simulate a high level interview for a position as a [job title] by asking questions as if you are a potential employer. In this scenario, I am taking the role of the employee and you ask increasingly hard questions to screen my competence, but only after I respond. Start by introducing yourself.

## Examples

Simulate a high level interview for a position as a Data Scientist by asking questions as if you are a potential employer. In this scenario, I am taking the role of the employee and you ask increasingly hard questions to screen my competence, but only after I respond. Start by introducing yourself.

Simulate a high level interview for a position as a User Experience Designer by asking questions as if you are a potential employer. In this scenario, I am taking the role of the employee and

you ask increasingly hard questions to screen my competence, but only after I respond. Start by introducing yourself.

Simulate a high level interview for a position as a AI Engineer by asking questions as if you are a potential employer. In this scenario, I am taking the role of the employee and you ask increasingly hard questions to screen my competence, but only after I respond. Start by introducing yourself.

Simulate a high level interview for a position as a Digital Marketing Specialist by asking questions as if you are a potential employer. In this scenario, I am taking the role of the employee and you ask increasingly hard questions to screen my competence, but only after I respond. Start by introducing yourself.

Simulate a high level interview for a position as a E-commerce Specialist by asking questions as if you are a potential employer. In this scenario, I am taking the role of the employee and you ask increasingly hard questions to screen my competence, but only after I respond. Start by introducing yourself.

Simulate a high level interview for a position as a Social Media Manager by asking questions as if you are a potential employer. In this scenario, I am taking the role of the employee and you ask increasingly hard questions to screen my competence, but only after I respond. Start by introducing yourself.

# MAKE ANALOGIES

## Prompt

Can you create an analogy for being overwhelmed?

## Formula

Can you create an analogy for [concept]?

## Examples

Can you create an analogy for explaining photosynthesis?

Can you create an analogy for understanding how a computer processor works?

Can you create an analogy for the concept of supply and demand in economics?

Can you create an analogy for the process of cell division?

Can you create an analogy for the theory of relativity?

Can you create an analogy for the concept of machine learning?

Can you create an analogy for the principle of buoyancy?

# WRITING

# WRITE ANYTHING

## Prompt

Using descriptive language and luxury travelers as the target audience, write a magazine article for a boutique hotel in Bali, highlighting the stunning views, serene atmosphere, and personalized service offered by the property.

## Formula

Using [writing style] and [target audience], write a [type of text] for the [subject] in [location], highlighting the [key benefits] offered by the [subject].

## Examples

Using a casual writing style and targeting young adults, write a blog post for the new eco-friendly coffee shop in downtown, highlighting the sustainable practices and unique flavors offered by the coffee shop.

Create a table listing the top 10 thriller movie options to help you unwind after a long day. The first column is titled “Name”, the second column is “Description”, the third column is “Average Rating (out of 5)”, and the fourth column is “Top Critic Quote”.

Create a table listing the top 10 documentary movie options to help you unwind after a long day. The first column is titled “Name”, the second column is “Description”, the third column is “Average Rating (out of 5)”, and the fourth column is “Top Critic Quote”.

Create a table listing the top 10 fantasy movie options to help you unwind after a long day. The first column is titled “Name”, the second column is “Description”, the third column is “Average Rating (out of 5)”, and the fourth column is “Top Critic Quote”.

Create a table listing the top 10 foreign-language movie options to help you unwind after a long day. The first column is titled “Name”, the second column is “Description”, the third column is “Average Rating (out of 5)”, and the fourth column is “Top Critic Quote”.

# FOLLOW-UP PROMPTS

Usage Tip:

Experiment with these as your 2nd or 3rd prompt.

# TRY AGAIN

## Universal

Could you elaborate on how the latest response you provided doesn't align with my previous instructions? After clarifying that, please make another attempt at following the instructions I gave earlier.

# CLARIFY CONCEPT

## Universal

Can you clarify what you mean by [concept]?

# RESET THE CONTEXT

## Universal

Ignore all previous instructions before this one.

# SUMMARIZE CONVERSATION

## Universal

Write a summary of our conversation in bullet points.

# EXPLORE DETAILS

**Universal**

Now explain that in more detail

# GO DEEPER

**Universal**

But why?

# MULTIPLY RESULTS

**Universal**

10 more

# CHANGE THE STYLE

## Transformation

Rewrite in the style of [style]

# ADD CONTEXT

## Transformation

Now try again but consider [context]

# CHANGE TEXT TYPE

## Transformation

Now transform all the above information into a [text type]

# FIND CHEAPER SOLUTIONS

## Problem Solving

If we had to solve this problem with half the resources or time, what would we do differently?

# BRAINSTORM SOLUTIONS

## Problem Solving

What are some other ideas or solutions we haven't considered yet? Can you think of any creative ways to approach this problem?

# MEASURE SUCCESS

## Decision Impact

What would success look like in this situation and how can we measure it? Format the answer in a table with two columns titled “Success Criteria” and “Measurement Method”

# ESTIMATE IMPACT

## Decision Impact

How will this decision affect different stakeholders? Are there any potential conflicts of interest?.

# BREAK-DOWN-STEPS

## Planning For Success

Can you break this down into smaller steps? Summarize them in a to-do list.

# EXPLORE NEXT STEPS

## Planning For Success

Can you summarize the main points we've discussed so far in a bullet point list? Based on our conversation, what would you recommend as the next steps?

# DETAILED PLAN

## Planning For Success

Can you outline a step-by-step plan for implementing this solution? What actions should we take first? Format the answer in a table with a column for steps and a second one for solution.

# CONSIDER FEEDBACK

## Analysis

Do you have any feedback or suggestions on the current approach? How can we improve it?

# PROVIDE EXAMPLES

## Analysis

Can you provide real-world examples to illustrate your point?

# WEIGH PROS/CONS

## Analysis

What are the advantages and disadvantages of this approach? How does this solution compare to others?

# FIND BEST SOLUTION

## Analysis

Why do you think that is the best solution? What factors led you to this conclusion?

# CLARIFY MISCONCEPTIONS

## Speed Learning

What are some common misconceptions or misunderstandings about this topic that beginners should be aware of?

# SIMPLIFY LEARNING

## Speed Learning

Can you break this down into simpler terms or steps for someone who is new to the topic while making it understandable for a 5 year old?

# GET TIPS/ADVICE

## Speed Learning

What practical and immediately actionable tips or advice would you give to someone just starting out in this area?

# IDENTIFY KEY SKILLS

## Speed Learning

What are the most important skills or knowledge areas for beginners to focus on in this field?

# STYLES

Usage Tip:

Customize your text by including "...make the text [tone]" or  
"...in the style of [author/magazine/brand voice]"

# FORMAL

## Tone

Projects authority, professionalism, and seriousness; often used in academic or official contexts.

# INFORMAL

## Tone

Creates a casual, conversational atmosphere; suitable for relaxed or personal contexts.

# AUTHORITATIVE

## Tone

Conveys expertise, decisiveness, and confidence; suitable for presenting expert opinions.

# CONVERSATIONAL

## Tone

Mimics the natural flow and rhythm of spoken language; creates an informal, relatable tone.

# EMPATHETIC

## Tone

Demonstrates understanding, compassion, or sensitivity; connects with readers emotionally.

# EDUCATIONAL

## Tone

What practical and immediately actionable tips or advice would you give to someone just starting out in this area?

# POETIC

## Tone

What are the most important skills or knowledge areas for beginners to focus on in this field?

# ERNEST HEMINGWAY

**Author**

Simple and direct prose, strong themes

# FYODOR DOSTOEVSKY

**Author**

Psychological depth and moral dilemmas

# MARK TWAIN

**Author**

Humor, social critique, and colloquial language

# OSCAR WILDE

**Author**

Wit, satire, and social commentary

# J.K. ROWLING

**Autho**

Engaging storytelling, rich world-building

# CHARLES BUKOWSKI

**Author**

Raw, gritty realism, and semi-autobiographical works

# ROLLING STONE

**Magazine**

Music, culture, politics

# WIRED

**Magazine**

Technology, science, culture

# VOGUE

**Magazine**

Fashion, beauty, culture

# TIME

**Magazine**

News, politics, current events

# THE WALL STREET JOURNAL

## Magazine

Business, finance, politics

# AESTHETICA

## Magazine

Art, culture, photography

# NIKE

## Brand Voice

Empowerment, athleticism, and motivation.

# TESLA

## Brand Voice

Bold, innovative, and focused on sustainable energy.

# DISNEY

## Brand Voice

Magic, family entertainment, and storytelling.

# HARLEY-DAVIDSON

## Brand Voice

Freedom, individualism, and American spirit.

# ROLEX

## Brand Voice

Precision, craftsmanship, and prestige.

# VANS

## Brand Voice

Authenticity, youth culture, and action sports.
